5 JANUARY

Today is the arrival of the kings of the orient.
They come to see us around town and we give them the letter with the gifts we want

6 JANUARY

We have to go to bed early, because during the night the kings come home to leave us gifts.

When we get up, the whole family goes to the dining room together.

THE KINGS HAVE ARRIVED.

This day we lunch with all the family; grandparents, uncles, cousins...
